

Air Freshener Dispensers

All models have chemical-resistant plastic construction, a red usage-indicator light for 3,000 actuated sprays, a keyless "press and release" button for convenient refill, a can-out reminder and an alkaline battery life of 1 year (spraying at 15 minute intervals 24 hours/day, 7 days/week, 52 weeks/year).

Model 3000 - programmable start/stop times in 1 -60 minute intervals, a weekend on/off function, and LCD panel

Limited Warranty. Chase Products warrants these dispensers to be free of defects in workmanship and material when properly installed and under normal use and service, and when used exclusively with Champion Sprayon Metered Air Fresheners. At Chase's discretion, we will repair or replace, at no charge and with no time limit, any defective dispenser owned by the original purchaser. Simply return the dispenser, along with the proof of purchase from an authorized Chase distributor of both the dispenser and refills (refills must have been purchased within the preceding 12 months) to Chase Products.

Recommended Uses

They are formulated for use in hotels, hospitals, offices, motels, nursing homes, restaurants, schools and public buildings.
