TIRE SHINE PROTECTANT CONCENTRATE

Specially formulated to meet the tough standards of professional detailers.

Dashboards, Vinyl Seats, Door Panels, Consoles, Tires/Trim, Bumpers
DESCRIPTION: This silicone emulsion concentrate is formulated to clean, polish and protect in one quick easy motion. Special additives repel water, dust and dirt and help prevent damage from humidity and temperature changes. A unique silicone blend in this formulation will condition and restore old worn surfaces to look like new. Treated areas will be protected from ultraviolet light, fading, drying out, oxidation, cracking, dulling, hardening or rotting. This product will enhance the beauty of vinyl, rubber, and many other surfaces.
